Director,

**Request for issue of Oseltamivir capsules on Named Patient Basis**

Due to the present outbreak of Influenza A (H1N1) the above drug is issued to all hospitals island wide by the MSD. MSD has been instructed to issue drugs only for treatment of in ward patients by a consultant.

Since this drug should be used in an extremely cautious manner to treat the patients who have the indications for treatment as per the circular issued by Epidemiology Unit, Ministry of Health, and prevent development of drug resistance, MSD will issue drugs for prescriptions bearing the Consultants signature and Official frank accompanied by duly completed format attached her to.

Please inform all relevant officers in your institution to adhere to these instructions.

Thank you.

  
**Dr. Kantal Jayasinghe**  
 Director
